4 Phone lines with 2gb of data EACH

Simple Choice Plan

Every qualifying Simple Choice line comes with:

- **No annual service contract & no data overages**
- **Unlimited data** even after all your high-speed 4G LTE data is used, at reduced speeds.
- **Unlimited** calls and text to and from any number, including mobile phones, in the **U.S., Mexico, and Canada**. PLUS use your monthly 4G LTE data in Mexico and Canada like in the U.S., at no extra charge
- **With Binge On™** - stream unlimited video on the most popular streaming services like Netflix, HBO NOW, Hulu, and **others** for **FREE** without using your high speed data.
- **Data Stash™** rolls up to 20GB of your unused 4G LTE data forward into the next month, for domestic use in the next 12 months. Included with our 6GB and 10GB options.
- **Music Freedom™** with **unlimited** music streaming on our network from top services without burning your data

Coverage not available in some areas. **Check your coverage here.**

Capable device required for 4G LTE speeds.

Video streams at DVD quality (480p+) with Binge On.

You may disable Binge On at any time, but will lose Binge On benefits
